PARTNER PROGRAM

Earn up to 50% *of partner profit*

Invite people with your personal link. Every time a partner receives a daily accrual, you receive your rank share of it. The more active partners you have, the higher your rank.

PARTNER REWARDS

How partner income *is calculated*

Active partners

A partner counts as active when they have an open deposit. Your rank is updated automatically.

Paid with every accrual

Your share is credited at the moment your partner receives profit, every day of their deposit term.

One-time rank bonus

Reaching a new rank brings a one-time bonus. Each rank bonus is paid only once per account.

Example: a partner deposits \$1,000 for 15 days and earns \$75. At Platinum rank you earn 50% of it, that is \$37.50 from one partner.
